

MADE IN ITALY

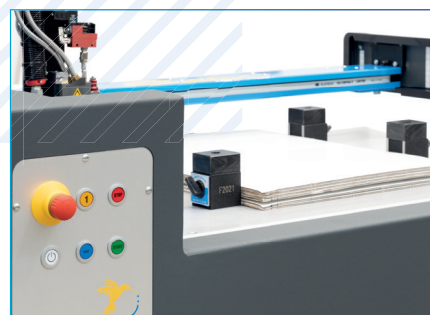

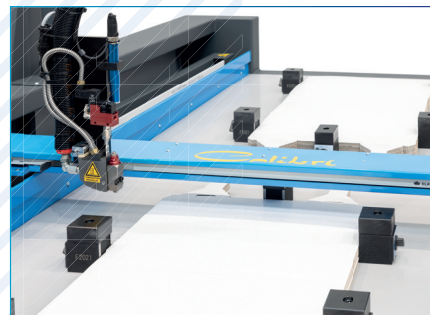

COLIBRI

the perfect XY glue plotter

In response to the needs of the very dynamic and competitive packaging market, we developed **Colibrì 140** and **Colibrì 200**, smaller and more compact versions (140x85 cm or 200x100 cm), but no less fast. (1.7 mt/s REAL) and precise.

F SERVICE PLOTTER

COLIBRI 140
